

2015-Xmas sundowner

The Perth group of ANARE WA members (and mascot) enjoyed a wonderful Xmas sundowner on 11th December. The gathering was held on the grassed foreshore of South Perth with the Swan and Perth city as a backdrop. As a tribute to Mawson, an attempt was made to re-enact the famous "claiming of Antarctica" photograph, but although hats were held aloft, the scene was marred by lack of snow, a surplus of mirth, and the Australian flag being too tall to fit in the photo! Nonetheless, a Xmas toast was given to expeditioners past and present.

Cheers Phil Crosby - 14 Dec 15
